DETAILED ACTION

Response to Amendment

Drawings

1. The drawings filed 28 December 2004 are objected to because they include a third sheet comprising a duplicate drawing of Fig. 1. Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Response to Arguments

2. Applicant's arguments, see page 7, line 1 to page 10, filed 3 June 2008, with respect to the 35 USC 102 and 103 rejections of claims 34-36 and 39-46 have been fully considered and are persuasive. The 35 USC 102 and 103 rejections of claims 34-36 and 39-46 have been withdrawn.
